ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2021-2022

Action Taken Report:

- Installation of Ramps and Accessible Washrooms: The campus has been made divyangjan-friendly with the installation of ramps and accessible washrooms.
- Gender Audit: A Gender Audit has been conducted in the college and the report has been shared with the concerned authorities. Based on the findings, necessary actions will be taken to ensure gender equality and inclusivity in the college.
- Feedback from Stakeholders: Feedback has been collected from students, faculty, and staff members through online surveys. The feedback has been analyzed and necessary actions will be taken to address the concerns raised.
- Energy Audit: An energy audit was conducted in March 2022, and based on its recommendations, the existing light bulbs and tube lights were replaced with energy-efficient LED bulbs and LED tubes. This has also helped in reducing the carbon footprint of the campus. An awareness campaign was launched to educate the students and staff about the importance of energy conservation. This campaign emphasized the need for sustainable practices and encouraged the members of the campus to adopt eco-friendly habits. The energy consumption of the campus is being regularly monitored to ensure that the energy-efficient lighting is functioning effectively.
- Academic Audits: Periodic academic audits have been conducted in the college to ensure the quality of education and teaching. Based on the audit report, necessary steps will be taken to improve the academic standards of the college.
- Placement Drives: The college has organized placement drives and invited various companies to recruit students. Several students have been placed in reputed companies.
- Green Initiatives: The college has taken several steps to promote green initiatives on the campus. Waste management systems have been improved, and awareness programs have been conducted for students and staff. A Biogas Plant was installed and the food wastes of students was managed easily and efficiently.

- National Seminar: The National Seminar on "Teaching, Learning and Evaluation" was successfully conducted on 28th & 29th October 2021. The seminar was a great success, around hundred faculties from other institutions participated in the seminar.
- Orientation Program: An orientation program was conducted for the freshers during the first week of the semester to familiarize them with the college and the curriculum. The program was well-received by the students and helped them in adapting to the new environment.
- ICT-enabled Classrooms: The administration has taken steps to make the classrooms ICT-enabled by providing necessary equipment and training for faculty and students. Classrooms were made ICT enabled by installing LCD Projectors and Android T.V; and also enabling WiFi in the classrooms. This has improved the teaching and learning experience of the students.
- Add-on and Value-added Courses: The proposed Add-on and Value-added courses were reviewed and approved. These courses will be implemented in the upcoming semester to provide students with additional skills and knowledge.
- Gym Facility: The administration has planned and implemented a gym facility for students to promote physical fitness. The gym is equipped with modern equipment and is accessible to all the students.
- Faculty Development Programs: Faculty development programs have been organized periodically to enhance the teaching skills and knowledge of the faculty members. These programs have helped in improving the quality of education in the college.
- NIRF Ranking: The college has participated in the NIRF ranking exercise and the committee formed for coordinating the process ensured the completion of the exercise smoothly.
- Employability Skills Training: Training sessions were organized for final year students to improve their employability skills. These sessions have helped the students in preparing for the job market and have increased their chances of getting placed.
